# Digital Printing

## COLOUR

**Colour** has **Benefits**, it **Sells!**

**Want to be noticed?** Print in colour.

**Keep your marketing fresh and economical?** Print in colour; short runs equal low inventory and cost effective.

**Need it printed "yesterday"?** Print in digital colour, no drying time, fast turn-around.

**Target your customers?** Send direct mail printed with your supplied data file, in colour. We will bundle and drop through Canada Post, where you designate.

**High quality marketing?** We produce accurate colour as good as offset. We can even adjust the colour to give you a little more red, yellow or blue just to get it perfect, every time.

**Smaller, larger or heavier?** Fill a sheet size up to 14" x 26" with one or many on paper or heavy card.

Print flyers, rack cards, tent cards, business cards, presentations, manuals, invitations, catalogues, sell sheets or direct mail.

## BLACK and WHITE

**Do you need multiple copies fast?**

Our Ricoh network will produce your memorandums, minutes, price lists, binder contents, legal documents or reports, fast; up to 135 pages per minute while printing and inserting tabs and variable data. We can output over 90,000 impressions per hour.

Make your first call for digital to **BOND**.

## **CLEAR** Spot Toner

**Highlight an image or add a watermark.**

Like a spot (or flood) varnish on offset, clear dry toner can highlight images, draw attention to text or add areas of visual interest.
