## RIDDLE ME THIS *answers on back*

1. What happens once in a minute, twice in a moment, but never in a thousand years?
2. Mike is a butcher. He is 5'10" tall. What does he weigh?
3. What has a bottom at the top?

## THE NEW NORMAL

The way we enjoy our city's parks and beaches this summer will be different. This photo from the 1890's shows social distancing was the norm as the outdoors beckoned.

What once was old is new again; our love of the beach will endure.

## KEEP CALM & kuverUP

Masks add a level of protection for both you and people you are in close contact to in the community. They can also be a "fashion statement".

These locally produced masks are comfortable and effective. Will it be plain, patterned or sequin today?
